2023 ROSÉ

Bushnell Vineyard, Dry Creek Valley

A SEVEN-DECADE TRADITION OF ROSÉ

We have it down to an art when it comes to making Rosé. We have been producing rosé made from Zinfandel for over 70 vintages. The Zinfandel grape defines our Rosé with fresh fruit flavor and a quaffable charm. Its' crisp style, framed by berry and spice notes, sets our Rosé apart from all the others. The grapes were harvested from the critically acclaimed Bushnell Vineyard, which has been in our family and a source to the winery since the 1940s. Located on a high bench, the vineyard's well-drained rocky soils and climate create the perfect combination for high-quality Zinfandel fruit.

WINEMAKING

The vintage had a good start with plenty of rain to begin the season. Cooler-than-normal temperatures slowed the vineyard growth over the spring and summer. Slow ripening to maturity allowed the grapes to showcase more aromas and flavors than previous vintages. Highly aromatic, excellent quality.

Once destemmed and pressed, the 100% free run juice is transferred to temperature-controlled stainless steel tanks for a slow fermentation at 58 degrees F. The fruitiness of the zinfandel grape lends rounded and balanced flavor to the wine. Bottled a few months after harvest, the wine captures the vintage's freshness.

TASTING NOTES

Very aromatic! The fresh aromas of strawberry, rose petals, and spice are followed by flavors of red berries, cherry, and spice with a touch of citrus. It is nicely balanced between crisp acidity and refreshing fruit flavors. Our Rosé is made to be enjoyed upon release.
