

FAMILY OWNED SINCE 1927

# PEDRONCELLI

## MOTHER CLONE VINEYARD SOURCES

Pedroncelli's historic Zinfandel vineyards are located on the hillsides surrounding the winery, on the ranch originally purchased by John Pedroncelli Sr. in 1927 and planted to Zinfandel since 1904. These vines are head-pruned and hand-picked, a second generation vineyard cloned from the original "Mother" vines which were replanted block by block beginning in the early 1980s. The fruit from the remaining over 100-year-old vines, although a small part, is included. We source three estate vineyards: the Home Ranch, Bushnell, and Buchigani Vineyard.

## WINEMAKING

The 2016 vintage Zinfandel, from the different blocks that make the Mother Clone blend, was harvested over the first three weeks of September. Good growing season conditions with enough rain during spring through having the all-important hang time brought in fully ripened grapes. Good acid balance and mature tannins with high intensity in aromatics and flavors.

Destemmed grapes go to a fermentation tank to cold soak for 24-48 hours and then are inoculated with selected yeast. Daily pump-overs and fermentation in temperature controlled stainless steel tanks with delestage regimes are done for maximum phenolic extraction. Following this the grapes are pressed and go to storage tanks until barreled down for twelve months of aging in American oak barrels. The addition of Petite Sirah (12%) adds depth of color and brings structure to the Zinfandel fruit.

## TASTING NOTES

Our Mother Clone is a classic Dry Creek Valley Zinfandel with aromas of red and black berries with a touch of warm baking spices. The concentrated flavors of raspberry and blackberry combine with vanilla, toasty oak, pepper and a dash of nutmeg. The spicy-berry dynamic so typical of Dry Creek Zin combines smooth tannins and a spicy finish which are a hallmark of our style. Enjoy now or cellar for three to five years.

## TECHNICAL INFORMATION

### APPELLATION

Dry Creek Valley,  
Sonoma County

### AGING

12 months in  
American Oak, 30% new oak

ALCOHOL 14.9%

pH 3.70

TOTAL ACIDITY .555g/100mg

ZINFANDEL | MOTHER CLONE  
v.2016 SONOMA COUNTY, DRY CREEK VALLEY
